St. Patty's Parade

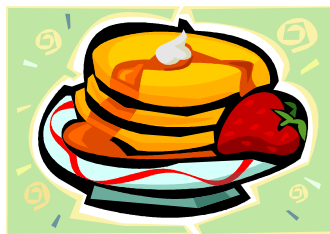

March 12th

It's time to dust off our cabana and turn it into our Soba Float !! There's been a change in the decorating information. Gregg will move the cabana under our house at 306 Beach on March 4th. The underneath has lights and electricity. We are not going to be able to be their Friday, March 11th, but will make arrangements to have the decorations there. Also if you have any ideals and /or decorations you would like to add, please feel free. I have the beads to throw and will also pick up some candy. The Float will be at City Hall by 9:30 Saturday morning. Plan on wearing your "crazy green". IT'S GONNA BE A GOOD TIME !!!!!!!
